

**B. AMENDMENT TO THE SPECIFICATION**

Please replace paragraph [0053] with the following amended paragraph:

[0053] Fig. 3 is a lateral perspective view of the display screen wall **109** with the real window **125** in front of it. As shown in Fig. 3, the real window **125** may include real shutters **327**, each of which may include adjustable louvers **329** and pull knobs **331**. Similar to the door **123**, the individual **111** will see images projected by the projector **117** on the portions of the display screen wall **109** that are directly behind the window **125** if the individual **111** opens a shutter by pulling on its knob ~~434~~ **331** or adjusting its louvers ~~429~~ **329**.

Please replace paragraph [0097] with the following amended paragraph:

[0097] Fig. 4 illustrates an interactive environment that is partially real and partially simulated of a different configuration. As shown in Fig. 4, the interactive environment includes rooms **401**, **403**, **405** and **407**, each with associated windows **409**, **411**, **413** and **421** and doors **415**, **417**, **419** ~~and **421**~~. Display screen wall **423**, **425**, **427**, **429** and **430** may also be included and, in conjunction with projectors **431**, **433**, **435**, **437** and **439**, may make displays of the type discussed above.
